Conestoga College is one of Canada's leading polytechnic institutes, consistently ranked among the very best colleges in the province of Ontario for graduate employment and student, graduate, and employer satisfaction. Conestoga College delivers a full range of career-focused education, training, and applied research programs to prepare students for success in the new knowledge economy and promote economic prosperity throughout our region, and Ontario. Conestoga delivers more than 200 career-focused programs with more degree offerings than any other college outside of the Greater Toronto Area . Conestoga also offers Ontario's only college-based, accredited engineering degrees. Conestoga College programs utilize labs equipped with the latest technology, provide students with field and clinical experience, and offer co-op opportunities that engage students as they learn to connect research, theory, and practice.

Why Conestoga College?

Conestoga is Ontario's fastest growing college, with enrolment growth of more than 42% over the last five years. They offer more than 120 full-time certificate, diploma, degree and postgraduate programs, many with co-op options. New educational facilities provide state-of-the art training in a variety of in-demand fields like nursing, trades, engineering, design, and business. International students are part of a community on campus, with more than 7,000 international students from 80 countries. Conestoga is consistently ranked among the very best of Ontario's colleges for graduates. Employer satisfaction rating has exceeded 90% every year since the provincial Key Performance Indicators survey was created. Conestoga also offers more than 62 co-op programs in a broad range of disciplines and credentials from degrees to diplomas.
